## Discussion Questions

1. What did you take away from your reading and studying of Genesis 42-45?
2. Compare and contrast Jacob's perspective with Joseph's throughout chapters 42-45. Where is their faith? How can you relate? See Gen 42:36-38 and 45:4-8.
3. Where in life might you be holding on to guilt, past or present? After seeing Joseph's reveal to his brothers, what do you believe God wants you to do with your guilt? What can this look like for you today?
4. Is there a relationship in your life that is in need of reconciliation? Where will you choose mercy over judgment?
5. Where has God brought you to preserve life? Who will receive the riches of God's kindness through you? Be specific, pray and do good.
