

Kickoff Discussion:

1. Getting to know your group: Go around the table and share a little about yourself and how you came to join us for study. Feel free to take notes on pp. 8 & 9 in your journal.
2. Together, read through the Table Group Agreement (in your journal) and commit to upholding these. See p 6.
3. Meet your Global Partner and discuss with your leader what this partnership means. See pp. 126 & 127.
4. What do you hope to get out of our study together this year? Do you have any questions on how to study as we begin Matthew?
